

International Seminar

“Rights of public and political participation: what’s at stake for young women?”
Faro, Portugal (20th – 26th March 2017)

The objective of this Seminar is:

- To allow partners to start working as a network, creating the group, sharing experiences and becoming more aware of their own and others’ reality;
- Clarification of all phases of the project, consortium tasks, responsibilities and agreements;
- To perform a gender assessment of the national contexts;
- To work on a variety of topics from Gender Concepts, Human Rights, Democracy and Women’s Right to Vote and Participate in Democratic Politics, basic legal standards and cultural restrictions.
